

Welcome to *Copenhagen*,

Please read the following before purchasing your tickets for the onstage Gallery seating. Your signature below confirms your compliance with these rules. Adhering to these rules is very important because you are, in essence, a part of the show.

1. Curtain times are exact. Latecomers will not be seated until intermission. Please remain in your seat throughout the performance.
2. Act I is 70 minutes. During the 15 minute intermission, you are free to move about but must be back in your seat before the beginning of Act II. Act II is 60 minutes.
3. Please do not use the ledge in front of you to drape coats, rest Playbills, etc.
4. Please silence any cell phones, pagers, beepers and alarm watches.
5. Feel free to lean forward on the railing while you are seated during the performance.
6. Once onstage, all ticketed Gallery patrons must be able to ascend and descend 10-20 stairs without assistance to reach the Gallery Seating.
7. Those patrons who are 5' 4" or less will probably have trouble seeing over the rail, although this is not a restriction.
8. No refunds, cancellations or exchanges. All sales are final.
9. If you are passing these tickets on to another party, please give them your copy of this form so that they are aware of these rules.

Thank you and enjoy the show!
